

Care Instructions

Upholstery & Leather Furniture

Keep upholstered furniture away from direct heat sources , direct sunlight or even strong lamplight , as these can fade the color .

Dust your upholstered furniture from time to time with a clean , soft , dry Cloth or soft brush only .

Clean fabric sparingly with a water-free solution or a dry cleaning product. Take note for safety to stay away from any naked fire or open flames during cleaning.

Clean fabric with a water based cleaning agents with a soft brush. Do not scrub but move in a circular motion gently.

Clean fabric with either water based cleaning agents, dry cleaning products or foam from detergents that are mild for cleaning.

DO NOT use any cleaning solutions or water based products to clean the fabric. Fabric should be vacuumed or brushed lightly to remove any accumulation of dust and dirt.

For spills and stain , blot the surface with kitchen paper , do not press hard as you may push the stain into the upholstery . Wipe with clean damp cloth soaked in a mild detergent . Always leave the upholstery furniture to dry naturally . Never use a direct heat source .

Avoid placing your leather furniture in direct sunlight.

Avoid placing printed materials on leather as it absorbs dyes easily, any ink may leave stains on it.

Do not scrub but always wipe your leather furniture gently with a dampened white cloth.

Use a clean, dry cloth to clean any grease stains with a blotting action.

Never use harsh chemicals, alcohol, strong detergents or abrasive cleaners to clean leather.
